

DC Diary – Moncton District

DC Diary for March 2004

From the Desk of Ruth Aiken, District Commissioner

Hello Scouters

The weeks are speeding by and I know from the Outdoor Activity Forms I receive there are many fun, exciting and challenging events happening in the District. The District Biathlon was another great success this year. **A big Thank You goes to Clarence Louder and his team of helpers. Truly, a job well done.**

I know that Kub Kar Fever is in the air, but we need a group to volunteer to organize this event if there is to be district rally. If this doesn't happen I can remember as an Akela, having at a Pack Level, having a Parent Cub Rally instead. This was a great deal of fun!

Included in this issue is information about Orienteering. It's a most suitable program for our district scouts and venturers. I look forward to seeing your "Outdoor Activity Forms".

News Flash *** Nova Scotia Jamboree – July 9 to July 14, 2005***

During Scout – Guide Week, I was lucky enough to take part in several activities and enjoyed meeting many of you.

Once again, I wish to thank you all for making Scouting in Moncton District a special time for our youth members.

See you on the BP Trail,

Ruth
